In Motion In Motion!

I would like to say, "Welcome" to all the new *In Motion* families and "Welcome Back" to all returning *In Motion* families. I hope everyone had an amazing summer. Let's jump into Fall where the weather's cooling off, we are back at school and letting those crazy Fall schedules take place of our lazy summer days.

As you may have noticed we at *In Motion* have been busy updating our studio all summer and are happy to have you all here enjoying the finished product.

I look forward to a great year with all of you and to your dancers continued success and growth this year at *In Motion*. Cheers to a great first month. Let's make it a terrific October!!

In Motion Dance Center Competitive Teams!

Congratulations to all who auditioned and made one of *In Motion's* three competitive teams. Look for our dancers competing and performing throughout the Bay Area in the coming year!

Dancer's of the Month

Each month *IMDC* dancers are selected to carry the prestigious title of: *Dancer of the Month*.

These dancers are always in class on time, ready to dance, listen, follow directions, and show improvements weekly for they practice at home. October's *Dancer's of the Month* are:

**Isadora Barragan
&
Mackenzie Goulding**

Please check out their bios on the *Dancer's of the Month* bulletin board outside Studio 2.

"Easy Pay" Tuition Payments

We did it! We now accept auto credit card or checking account payments for tuition. Recently, many *In Motion* families have inquired about this convenient payment system. This would alleviate forgetting your checkbook on the first week of the month and would do away with late payments all together.

Just fill out the short form available in the waiting room and drop it in the black drop box and you're good to go. Payment will start in the designated month and culminate in June, or before, if you need to cancel.

October 31st, 2007

The studio will be closed on Wednesday October 31st, 2007. Have a spooktacular Halloween!

Newsletter Online

Save Paper- Our newsletter is now on our website at InMotionDancer.com. It will be posted all month to keep our families "in the loop" with the latest studio information.

Get your IMDC Gear!

Keep warm in style this Fall. Don't forget to pre-order your In Motion black, zip-up sweatshirt. Ms. Deena will be placing the order at the end of the month and she will not be ordering extras so make sure you pre-order yours today if you would like one. The cost is \$30.

Observation Week

(The 1-7th of every month)

Just a reminder that classes are closed to viewers. Parents, we adore your support but it is a big distraction for all the dancers. Ms. Deena has noticed over the years that students can focus and learn more without the distraction of family members watching. However, she also understands the importance of parents wanting to see their dancer's class. Therefore, we reserve the first week of every month as *observation week* where parents are welcome to watch their dancer and see their monthly progress.

Dance and Street Shoes

Just a reminder that all dancers should be wearing street shoes to and from the dance studio outside. Dance shoes are for the dance studio only. Please help Ms. Deena keep her floors in prime condition and teach your dancer the value of taking care of their dance shoes.

Parking

IMDC has four reserved one-hour parking spaces in front of the studio for your convenience. Should these spaces be full you may park in any other designated parking space. Please do not park in fire lanes or in front of other business' roll-up doors, or block the EMT that parks in our court. Violators are subject to towing. There is plenty of unreserved parking between our building, 835 and building 837. Thank you for your cooperation.
